

Multicultural education – a matter of engaging adults

Erle Sellevag

A2G kindergarten, Bergen, Norway

The visit to A2G Kindergarten
An interesting comparison

Interpersonal relationships-
why is this so important?

The importance of an including
learning environment

Multicultural education –
seen in a resource perspective

Recognizing children's feelings –
a way of building
a safe and good relationship

Being a new parent
in the kindergarten –
how do we make sure
there is understanding and respect?
